

Dear

We are writing to introduce ourselves as your Safer Neighbourhoods Team and to gather information aimed to help Dorset Police provide a much better service to communities, also to better facilitate working in partnership with other organisations and groups.

Your local Safer Neighbourhoods Team consists of PC 1977 Anita Finlay, PC 2032 Viv Maddison and PCSO (Police Community Support Officer) 5393 Tara Stallion, joining us mid-April 2008. We cover the area known as Meyrick & Talbot and are based at Winton Police Station.

You may already be aware of the Ringmaster system or have registered your details to receive information for dissemination, pertinent to your area. For those of you not already aware of this system, it is designed to send you information, via your preferred means of contact, alerting you about activity or incidents of note in your area. We are aware that there have been some problems with the system of late and information not being received, but please be advised that the system is currently being updated and improved.

With regards to the Ringmaster database we need to establish whether you still wish to have your details registered, whether you would like to register or know of someone who would like to register, or whether you wish for your details to be removed. Please could you indicate this below, and where required sign and return the enclosed Community Messaging Registration Form along with this letter in the envelope provided. The form is for Data Protection reasons.

- Please retain my details. I have signed and enclosed the Community Messaging Registration Form.
- Please remove my details from the Ringmaster Database.
- I have a contact interested in registering on Ringmaster. Their contact details are:

Please feel free to use the box below for any comments or information you would like to bring to our attention.

We thank you in advance for your cooperation.

Yours sincerely

Meyrick & Talbot Safer Neighbourhoods Team
